

## Uputstvo za podešavanje Outlook Express-a za proveru mail-a.

Da biste mogli da proveravate Vaš mail kroz Outlook Express, potrebno je pre svega da budete povezani na Internet.

Kada podesite vezu sa Internetom, podešavanja za proveru email-a idu sledećim redosledom.

U opciji **Tools** potrebno je odabrati opciju **Accounts**:

Nakon toga, otvara se novi prozor, gde preko dugmeta **Add** dolazimo do opcije **Mail...** koja omogućava kreiranje novog email naloga:

Nakon toga, otvara se novi prozor u kojem se korak po korak unose podešavanja za mailbox.

### **Prvi korak:**

Upisujete korisničko ime, tj. ime koje će stajati kao ime pošiljaoca u svim porukama koje budete slali preko tog naloga:

### **Drugi korak:**

Upisujete email adresu, u formatu korisnicko\_ime@do.elta-kabel.com

### **Treći korak:**

Upisujete adrese servera za prijem pop3.do.elta-kabel.com i servera za slanje smtp.do.elta-kabel.com pošte.

The screenshot shows the 'E-mail Server Names' step of the Internet Connection Wizard. It features a dropdown menu for 'My incoming mail server is a' set to 'POP3'. Below it, the 'Incoming mail (POP3, IMAP or HTTP) server:' field contains 'pop3.do.elta-kabel.com'. The 'Outgoing mail (SMTP) server:' field contains 'smtp.do.elta-kabel.com'. At the bottom, there are buttons for '< Back', 'Next >', and 'Cancel'.

### **Četvrti korak:**

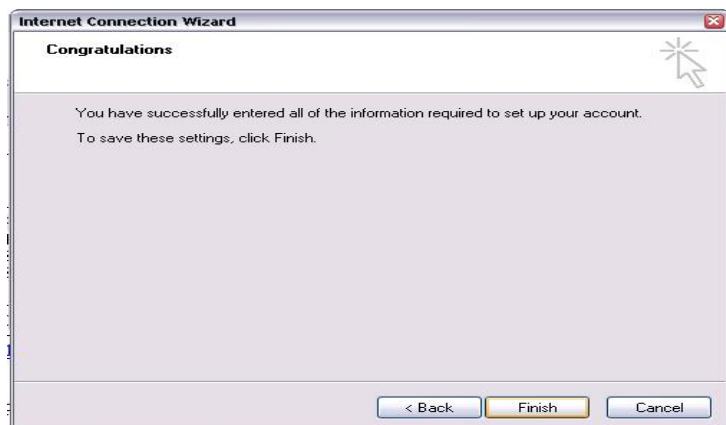

Upisujete korisničko ime u formatu e-mail adrese, tj. u polje account name upišete vašu e-mail adresu. U polje Password upišete vašu pristupnu šifru.

The screenshot shows the 'Internet Mail Logon' step. It prompts the user to 'Type the account name and password your Internet service provider has given you.' The 'Account name:' field contains 'korisnicko\_ime@do.elta-kabel.com'. The 'Password:' field is empty. There is a checked checkbox for 'Remember password'. Below, there is a section for 'Secure Password Authentication (SPA)' with an unchecked checkbox for 'Log on using Secure Password Authentication (SPA)'. Buttons for '< Back', 'Next >', and 'Cancel' are at the bottom.

### **Peti (i poslednji) korak:**

Pritiskom na dugme Finish završavate sa podešavanjima email naloga i možete početi da ga koristite za slanje i prijem eMail-a.

The screenshot shows the 'Congratulations' step. The text reads: 'You have successfully entered all of the information required to set up your account. To save these settings, click Finish.' At the bottom, there are buttons for '< Back', 'Finish', and 'Cancel'.
